

VS International Precision Oncology Summit

Where Precision Meets Progress

18-20
JULY 2025

9:00AM ONWARDS

Venue:

**HOTEL GREENPARK
THE BRINDAVANAM**
N.S.K. Salai, Arcot Road,
Vadapalani, Chennai - 600026.

PRECISION IGNITED!

Ignite your understanding of precision oncology.

Save the Date for VIPOS 2025.

Prepare for cutting-edge presentations (E-Posters),
stimulating debates, inspiring oration, prestigious awards,
and insights from top international speakers.

Don't miss the spark!

Theme of the Conference

**WHERE PRECISION
MEETS PROGRESS.**

You are cordially invited!

Dear Colleagues and Esteemed Guests,

It is with immense pleasure and an unwavering commitment to our collective endeavor in the field of oncology that I extend a warm welcome to each one of you to the VS International Precision Oncology Summit (VIPOS 2025). Organized by VS Hospitals, under the auspices of the VS Medical Trust, this event stands as a beacon of innovation and collaboration in the landscape of cancer care.

This year's theme, "Where Precision Meets Progress," encapsulates our focus on the cutting-edge of oncology practices, where precise diagnostics and tailored treatment strategies propel significant advancements in patient care. As we convene from 18th, 19th, and 20th July 2025 at Hotel Green Park, Vadapalani – The Brindavanam, we look forward to an enriching exchange of knowledge and ideas that will redefine the boundaries of what is possible in oncology.

VIPOS 2025 is designed to foster an environment of collaboration among the brightest minds in Medical, Surgical, and Radiation Oncology from around the globe. Our program features a rich lineup of activities, including E-Poster Presentations, spirited Debates, an inspiring Oration, recognition through Awards, and an engaging Quiz, all complemented by insights from renowned International Speakers.

We are set to explore a spectrum of oncological challenges with a lens focused on precision and innovation. The conference will serve as a platform to showcase recent advancements and to engage in comprehensive discussions that promise to enhance clinical practices and patient outcomes.

Your active participation is crucial to the success of VIPOS 2025. Together, we have the power to advance the standards of cancer treatment, improving the outcomes and quality of life for patients worldwide. I am eagerly anticipating the valuable contributions that will emerge from our discussions and the dynamic interactions that will take place.

Thank you for your dedication to the field of oncology and for joining us in this pivotal event. Let's make VIPOS 2025 a landmark occasion, a testament to our shared commitment to progress and precision in cancer care.

Warm regards,

Prof. Dr. S. Subramanian

MD, MRCP (UK)

Managing Trustee - VS Medical Trust

Programme Director - VIPOS 2025

About VIPOS 2025

Get ready for VIPOS 2025, an exciting summit that's set to redefine how we approach cancer treatment with a focus on precision and innovation. This year, we're bringing together global experts in Chennai to foster new collaborations and push the boundaries of cancer research and care. Our theme, "Where Precision Meets Progress," highlights our dedication to combining the latest research with practical clinical applications to improve patient outcomes worldwide.

Throughout the three-day event, VIPOS 2025 will offer a variety of engaging sessions, including lively debates, inspiring talks, and interactive quizzes that are designed to provoke thought and encourage dialogue. E-Poster presentations will feature the most recent discoveries, providing insights into the future of oncology. The conference will emphasize hands-on, case-based discussions, giving participants practical knowledge and strategies for the latest diagnostic and treatment methods.

This summit is more than just a conference; it's a step toward a future where cancer treatment is more targeted, more accessible, and more effective. Whether you're an experienced oncologist or new to the field, VIPOS 2025 promises to inspire and equip you to play a part in the worldwide effort to improve cancer care. Join us as we explore the impactful intersection of precision and progress at one of the most eagerly anticipated oncology summits of the year.

Programme Director

Prof. Dr. S. Subramanian

MD, MRCP (UK)
Managing Trustee - VS Medical Trust
Programme Director &
Chairman - VIPOS 2025

Organizing Secretary

Dr. S. Nithya

Associate Director
Medical Oncology Services

Joint Organizing Secretary

Dr. Vijay .G

Consultant Adult and Pediatric
Hemato Oncologist
& Medical Oncologist

Organizing committee

Dr. D. S. Manohar
Sr. Consultant Medical Oncologist

Organizing committee

Dr. K. Chandralekha
Consultant Medical Oncologist
& Radiation Specialist

Organizing committee

Dr. CH Dheeraj
Consultant Medical Oncologist

Organizing committee

Dr. Satheesh Kumar .D
Consultant Medical Oncologist
and Paediatrician.

Scientific Committee

Dr. S. Nithya
Associate Director
Medical Oncology Services

Scientific Committee

Dr. A. C. Senthil Kumar
Consultant Surgical Oncologist

Scientific Committee

**Dr. Karthik
Subramaniam Thiagarajan**
Consultant Radiation Oncologist

Scientific Committee

Dr. K. Chandramouleeswari
Consultant Pathologist

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
9.30AM - 9.45AM	Short address and opening of conference	Prof. Dr. Subramanian	
SESSION 1:HEMATO ONCOLOGY			
9.45AM - 10.15AM	Advanced Hodgkin's lymphoma: The art of the First Line Balancing Efficacy, Toxicity and Timing in Front Line Care	Dr. D. Satheesh Kumar (Medical Oncologist)	Chairpersons: Dr. M.A. Raja (Medical Oncologist) Dr. (Major) S. Lakshminarasimhan (Medical Oncologist)
10.15AM - 11.00AM	Redefining Myeloma Care: Precision Approaches & Next-Gen Therapies in Multiple Myeloma	Dr. Athira Unnikrishnan, Senior Consultant, Hematology and oncology, Texas oncology, Austin	Chairpersons: Dr. M.A.Raja (Medical Oncologist) Dr. (Major) S. Lakshminarasimhan (Medical Oncologist) Dr. M. Gopinathan (Hemato-Oncologist)
11.00AM - 11.15AM	Break for Coffee		
11.15AM - 11.45AM	CLL unfolded: Navigating the Chronic challenge Decoding dilemmas, decisions and direction in chronic lymphocytic leukaemia management	Dr. Divya Manohar (Hemato Oncologist)	Chairpersons: Dr. Kishore Kumar .S (Hemato Oncologist) Dr. Syed Ismail (Medical Oncologist)
11.45AM - 12.15PM	PIPAC in Oncology: Expanding Horizons in Intraperitoneal Therapy - Real world experience, evolving evidence and the promise of precision in peritoneal metastases	Dr. Suhail Ahmed .M (Surgical Oncologist)	Chairpersons: Dr. A. C. Senthil Kumar (Surgical Oncologist) Dr. (Major)S. Lakshminarasimhan (Medical Oncologist)
12.30PM - 1.30PM	Her2 in focus: A pathologist's journey through shifting paradigms - From classic amplifications to HER2 low- Decoding HER2's expanding role in modern oncology	Speaker: Dr. K. Chandramouleeswari (Pathologist) Moderator: Dr. Partheeban Balasundaram (Pathologist)	Chairpersons: Prof. Dr. S. Subramanian (Sr. Medical Oncologist) Panelists: Dr. Nandini Govindarajan (Pathologist) Dr. Anshulekha Patel (Pathologist) Dr. Femela Muniraj (Pathologist)

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
SESSION 1:HEMATO ONCOLOGY			
			Dr. Priya Subash Chandra Bose (Pathologist) Dr. V .Kavita (Pathologist) Dr. C. Arun Prabhakaran (Pathologist) Dr. Keerthini Ganesan (Pathologist)
1.30PM - 2.00PM	Break for lunch		
SESSION 2: GASTROINTESTINAL ONCOLOGY			
2.00PM - 2.30 PM	Optimising therapy in operable gastric cancer: timing, tools and targets - Refining Perioperative Strategies to improve cure rates and personalise care	Dr. Rajkumar Ramaswamy (Medical Oncologist)	Dr. D.S. Manohar (Medical Oncologist) Dr. Deepak Ramamoorthy (Radiation Oncologist) Dr. A.C. Senthil Kumar (Surgical Oncologist) Dr. J. Saravanan (Surgical Gastroenterologist)
2.30PM - 3.00PM	Management of Early Rectal Cancer: Precision Strategies for Sphincter Preservation -Balancing Oncologic Safety with Functional Outcomes in the Era of Personalised Treatment	Dr. Deepak (Surgical Oncologist)	Dr. D.Suresh Kumar (Surgical Oncologist) Dr. M. Balu David (Radiation Oncologist)
3.00PM - 4.00PM	Panel discussion Metastatic Colorectal Cancer in the Precision Era: A panel beyond pathways - Targeting Mutations, Tailoring Therapies and Transforming outcomes through Precision Oncology Supported By Alkem Oncology	Moderator: Dr. T. Raja (Medical Oncologist)	Dr. V. Arun Ramanan (Medical Oncologist) Dr. A. Ramya (Medical Oncologist) Dr. N. Suman Kalyan (Medical Oncologist) Dr. R. Prasanna (Medical Oncologist) Dr. B. Suresh Kumar (Medical Oncologist) Dr. Balaji Ramani (Surgical Oncologist) Dr. R. Dinesh (Medical Oncologist)

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
SESSION 2: GASTROINTESTINAL ONCOLOGY			
			Dr. Haridas P Mani (Medical Oncologist) Dr. S. Jeyasankar (Medical Oncologist) Expert Opinion: Dr. J. Kannan (Medical Oncologist) Dr. Rajkumar Ramaswamy (Medical Oncologist)
4.00PM - 4.15PM	Break for Coffee		
SESSION 3: HEPATOBIILIARY ONCOLOGY			
4.15PM - 4.45PM	Unresectable Hepatocellular Carcinoma: Defining Optimal First-Line Strategies in Precision Oncology - Integrating Molecular Profiling, Immunotherapy, and Locoregional Innovation for desired Outcomes	Dr. R. Prasanna (Medical Oncologist)	Dr. D. S. Manohar (Medical Oncologist) Dr. Jayachandran .P.K (Medical Oncologist)
4.45PM - 5.15PM	GUARDANT 360 Sponsored by Zydus	Speaker: Dr. N. Suman Kalyan (Medical Oncologist) Moderator: Dr. Nithya Sridharan (Medical Oncologist)	Chairperson: Dr. Rejiv Rajendranath (Medical Oncologist) Dr. V. Arun Ramanan (Medical Oncologist) Dr. Syed Ismail (Medical Oncologist) Dr. S. Jeyasankar (Medical Oncologist) Dr. Haridas P Mani (Medical Oncologist) Dr. C.H. Dheeraj (Medical Oncologist) Dr. D. Satheesh Kumar (Medical Oncologist) Dr. K. Chandramouleeswari (Pathologist)
5.15PM - 5.45PM	Radiofrequency ablation for liver lesions: Selecting the right patient every time - Balancing biology, imaging and Intent to Guide Precise Intervention	Dr. Deepashree (Interventional Radiologist)	Dr. A.C. Senthil Kumar (Surgical Oncologist) Dr. L. Karpagavalli Kudiyaarasu (Radiation Oncologist) Dr. G.Suriyakumar (Radiologist) Dr. Jayaraj Viswanathan (Interventional Radiologist)

Day - 1 Friday, 18th July 2025

Registration will commence at 8:00AM Onwards

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
SESSION 3: HEPATOBIILIARY ONCOLOGY			
5.45PM - 6.15 PM	SBRT in liver lesions: Precision at the edge of possibility - Defining roles, refining targets and re-imagining outcomes in Hepatic Radiotherapy	Dr. Prahlad Yathiraj (Radiation Oncologist)	Dr. Satish Srinivas (Radiation Oncologist) Dr. V.M. Durai Mavalavan (Medical Oncologist)
6.15PM - 6.45PM	Strategic sequencing in CML Optimising therapy transitions to outpace resistance and sustain remission	Dr. K. Krishna Rathnam (Hemato Oncologist)	Prof. S. Subramanian (Sr. Medical Oncologist)
6.45PM - 7.15PM	Rewiring Immunity: CAR T-Cell Therapy in Hematological Malignancies Engineering hope, once cell at a time	Dr. Jayachandran .P.K (Medical Oncologist)	Prof. S. Subramanian (Sr. Medical Oncologist)

Day - 2 Saturday, 19th July 2025

TIME	TOPIC	SPEAKER	CHAIRPERSON
SESSION 4: BREAST ONCOLOGY			
9.00AM - 9.30AM	Adjuvant CDK4/6 Inhibitors in High-Risk HR+ Breast Cancer: Personalising Risk, Resistance, and Response - Defining Who Truly Benefits and How to Optimize Outcomes in the Precision Oncology Era	Dr. Vaishnavi Joshi (Medical Oncologist)	Dr. S.G. Ramanan (Medical Oncologist) Dr. Veda Padma Priya (Surgical Oncologist) Dr. S. Gurumurthy (Radiation Oncologist)
9.30AM - 10.00AM	PARP inhibitors in TNBC: Targeting the Untargetable - Harnessing the DNA repair pathways to Redefine Treatment in Triple Negative Breast Cancer	Dr Anita Ramesh (Medical Oncologist)	Dr. S.G. Ramanan (Medical Oncologist) Dr. Veda Padma Priya (Surgical Oncologist) Dr. S. Usha (Radiation Oncologist)
10.00AM - 10.30AM	Trastuzumab Deruxtecan: Redefining the HER2 horizon in mBC - Antibody Drug Conjugates at the forefront of HER2 Positive Metastatic Breast Cancer Care	Dr. Jovita Martin Daniel (Medical Oncologist)	Dr. S.G. Ramanan (Medical Oncologist) Dr. Veda Padma Priya (Surgical Oncologist) Dr. N. Poonkodi (Radiation Oncologist)

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
SESSION 4: BREAST ONCOLOGY			
10.30AM - 10.45AM	Break for coffee		
10.45 AM - 11.30 AM	Panel Discussion Early HER2 positive Breast Cancer: Navigating the Curative Curve - De-escalation, duration and decision making in the era of targeted therapy	Moderator: Dr. S. Krupa Shankar (Medical Oncologist)	Chairpersons: Dr. K. Kalaichelvi (Medical Oncologist) Dr. (Major) S. Lakshminarasimhan (Medical Oncologist) Panelist: Dr. Vaishnavi Joshi (Medical Oncologist) Dr. Rekha Bansal (Medical Oncologist) Dr. C. H. Dheeraj (Medical Oncologist) Dr. K. Azmi Saundarya (Radiation Oncologist) Dr. Meena K (Medical Oncologist) Dr. G. Gowripriya (Pathologist) Dr. Veda Padma Priya (Surgical Oncologist) Dr. Joseph Dominic (Medical Oncologist) Expert Opinion: Dr. K. B. Akila (Medical Oncologist) Dr. Rajkumar Ramaswamy (Medical Oncologist)
11.30AM - 12.30PM	Inauguration, Oration, Award Presentation	Prof. Dr. S. Subramanian Oration by Dr. Ramesh BV Nimmagadda (Medical Oncologist) and VS hospitals award for excellence in Oncology	Real world data and collaboration: the need continues with time
12.30PM - 1.00PM	Proton therapy today: Precision evolved - Latest advances and real world experience in harnessing protons for smarter cancer care	Dr. Sapna Nangia (Radiation Oncologist)	Dr. T. N. Vijayasree (Radiation Oncologist) Dr. N. Rajesh Kar (Radiation Oncologist)
1.00PM - 1.30PM	Real world insights into Precision Radiation therapy: The VS hospitals experience	Dr. Karthik Subramanian Thiagarajan (Radiation Oncologist)	Dr. M. Balu David (Radiation Oncologist) Dr. P. Balasubramaniam (Radiation Oncologist)
1.30PM - 2.00PM	Break for Lunch		

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
SESSION 5: UROGENITAL ONCOLOGY			
2.00PM - 2.30PM	Metastatic prostate cancer: Getting the sequence right - Timing, Tailoring and turning the Tide in Advanced Disease	Dr. Rejiv Rajendranath (Medical Oncologist)	Dr. J. Kannan (Medical Oncologist) Dr. M. Manickavasagam (Medical Oncologist) Dr. G. Raja (Medical Oncologist)
2.30PM - 3.00PM	Lutetium Therapy in advanced Prostate Cancer: Real World Reflections - Translating Promise into Practice in the Era of Theranostics	Dr. Patel Asra (Nuclear Medicine)	Dr. S. Sumati (Nuclear Medicine) Dr. N. Ragavan (Uro Oncologist) Dr. M. Manickavasagam (Medical Oncologist)
3.00PM - 4.00PM	PANEL DISCUSSION Locally advanced muscle invasive bladder cancer: Challenges, choices and conversations - A multi disciplinary exchange on evidence, experience and emerging approaches	Moderator: Dr. N. Ragavan (Uro Oncologist)	Chairpersons: Dr. S.G.D. Gangadaran (Medical Oncologist) Dr. B. Antoinette Mary Nithiya (Radiation Oncologist) Dr. Saravanan Periasamy (Surgical Oncologist) Panelist: Dr. Griffin M. (Urologist) Dr. Anand Raja (Surgical Oncologist) Dr. K. Narendran (Medical Oncologist) Dr. P. Ananda Selva Kumar (Radiation Oncologist) Dr. S. Krupa Shankar (Medical Oncologist) Dr. Madhav Tiwari (Uro Oncologist) Dr. Satish Srinivas (Radiation Oncologist)
4.00PM - 4.30PM	Cardio - Oncology in the Era of Immune Check Point Inhibitors - Early Detection, Risk Stratification and Collaborative Care to Minimize Immune related Cardiac Events	Dr. R. Hariharakrishnan (Interventional Cardiologist)	Dr. Prabhakar Dorairaj (Interventional Cardiologist) Dr. S. G. D. Gangadaran (Medical Oncologist)
4.30PM - 4.45PM	Break for Coffee		

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
SESSION 6: GYNECOLOGICAL ONCOLOGY			
4.45PM - 5.15PM	Targeting the immune landscape in Gynecologic Malignancies - Unveiling Immune Vulnerabilities to unlock precision Immunotherapy in Women's Cancers	Dr. Meena K (Medical Oncologist)	Dr. P. N. Satiyamoorthy (Medical Oncologist) Dr. G. Sivaram (Surgical Oncologist) Dr. Premkumar Devdoss (Medical Oncologist)
5.15PM - 6.00PM	PANEL DISCUSSION Advanced epithelial ovarian cancer: A multi disciplinary mandate - Uniting surgical, medical and supportive expertise to elevate outcomes in advanced disease	Moderator: Dr. A. C. Senthil Kumar (Surgical Oncologist)	Chairpersons: Dr. K. Kalaichelvi (Medical Oncologist) Dr. P. N. Rajasekharan (Medical Oncologist) Dr. M. Sivakumar (Surgical Oncologist) Dr. Gopu Govindasamy (Surgical Oncologist) Panelist: Dr. S. Suresh (Medical Oncologist) Dr. Jegan Niwas Kannan (Medical Oncologist) Dr. Chandralekha Krishnan (Medical Oncologist) Dr. Suhailudeen K. (Surgical Oncologist) Dr. V. Venkatachalam (Surgical Oncologist) Dr. Sujay Susikar (Surgical Oncologist) Dr. L. Kavin Nilavu (Surgical Oncologist) Dr. Haridas P Mani (Medical Oncologist) Dr. Sainath Bhethanabhotla (Medical Oncologist) Dr. Sivasankar Shanmuganathan (Cell and Molecular Biologist) Expert Opinion: Dr. J. Balaji (Medical Oncologist) Dr. Anitha Ramesh (Medical Oncologist)
6.00PM - 6.30PM	Role of Immunotherapy and its Sequencing Strategy in advanced Triple Negative Breast Cancer Sponsored Session By MSD	Dr. S. Suresh (Medical Oncologist)	
7.00PM Onwards	Dinner		

TIME	TOPIC	SPEAKER	CHAIRPERSON / PANELIST
9.00AM - 9.30AM	Relapsed Follicular Lymphoma in 2025: Rethinking the road ahead - Personalised strategies, novel agents and evolving evidence in relapse management	Dr. Santhosh Kumar Chellapuram (Medical Oncologist)	Dr. Jose M Easow (Medical and Hemato Oncologist) Dr. Arshad Raja (Hemato Oncologist) Dr. Bhavesh Poladia (Medical Oncologist)
9.30AM - 10.15AM	Relapsed DLBCL: Navigating the next line -Innovations in Immunotherapy, targeted agents and Cellular Therapies Reshaping Outcomes	Dr. Vivek Radhakrishnan (Medical and Hemato Oncologist)	Dr. Jose M Easow (Medical and Hemato Oncologist) Dr. Arshad Raja (Hemato Oncologist) Dr. Bhavesh Poladia (Medical Oncologist)
SESSION 7: LUNG ONCOLOGY			
10.15AM - 10.45AM	Lung cancer screening : Bridging evidence and practice - From clinical trials to clinics, translating data into early detection and impact	Dr. Elakiya Mathimaran (Pulmonologist)	Dr. K. Kalaichelvi (Medical Oncologist) Dr. C. Amarnath Senior Radiologist
10.45AM - 11.00AM	Break for Coffee		
11.00AM - 11.45AM	EGFR in lung cancer: Precision with purpose - From mutations to mechanisms - refining targeted therapy for lasting impact	Dr. M. Sujith Kumar (Medical Oncologist)	Dr. Ramkumar .B (Medical Oncologist) Prof. S. Subramanian (Medical Oncologist) Dr. Sumana Premkumar (Radiation Oncologist)
11.45AM - 12.30PM	DEBATE Early lung cancer: Radiation or Surgery - Weighing precision against the scalpel in the quest for cure	Dr. K. C. Jyothish (Radiation Oncologist) VERSUS Dr. V Balasubramanian (Surgical Oncologist)	Dr. A.K. Khader Hussain (Surgical Oncologist) Dr. R. Subramanian (Radiation Oncologist) Dr. R. K.Sasankh (Cardiothoracic Surgeon)
12.30PM - 1.30PM	Precision Oncology in practice: A case based approach - Real patients, real decisions - translating molecular insights into meaningful care	Dr. A. Victoria Gray Lecturer in Medical Sciences, North Wales Medical School, Bangor.	Dr. S. Krupa Shankar (Medical Oncologist) Dr. K. Chandramouleeswari (Pathologist) Dr. A. C. Senthil Kumar (Surgical Oncologist)
1.30PM - 2.00PM	Awards for Winners, Valedictory Function		
2.00PM Onwards	Lunch and Disperse
